- device information includes device types and settings, device identifiers (such as IDFA, IDFV for Android, GAID for IOS), browser types, mobile, wireless, operating system versions, another network information (such as internet service provider name, carrier name and signal strength), and application version numbers.

2. What is the data being used for?

Your data may be stored and processed for the following purposes:

- To perform our contractual obligations with our users.
- To allow us effectively and efficiently manage and administer the operation of our business and the App.
- To improve and develop our Service.
- To respond to user inquiries and to remedy any issues with the Services.
- To comply with our legal obligations.

3. Who we share your data with

We share your Information with selected third parties, including:

- Different entities which are part of our group of companies.
- Vendors and service providers we rely on and other. Such service providers may provide administrative, data processing or other similar services to us to enable us to better provide the Services.
- Law enforcement agencies, public authorities or other judicial bodies and organizations if we are legally required to do so.

4. Children

We do not knowingly collect children's (under age of 13 years old) data for any purposes. Children under the age of 13 are not permitted to download and use the App or Service by themselves.

5. Keeping your data safe

We will use technical and organizational measures designed to safeguard your personal data. We have appropriate security measures in place designed to prevent personal data from being accidentally or unlawfully lost, used or accessed. We limit access to your personal data to those who have a genuine

business need to access it. We take steps designed to ensure that those processing your personal data will do so only in an authorized manner and are subject to a duty of confidentiality. We also have procedures in place to respond to data security breaches. We will notify you and any applicable regulator of a suspected data security breach where we are legally required to do so.

6. How long will we hold your data

Your data is kept for as long as needed for the relevant purpose. When deleting your data, we will take measures to make the data irrecoverable or irreproducible, and electronic files which contain data will be deleted permanently.

7. Third party links

Our App may contain links to third party websites, advertisers, services, software components, special offers or other events or activities that are not owned or controlled by us. We don't endorse or assume any responsibility for any such third party websites, information, materials, products or services. If you access any third party website, service or content, etc. from our App, you do so at your own risk and you agree that we have no liability arising from your use of, purchase from or access to any third party website, service, or content, etc. Your interactions with these features and third parties are governed by the privacy policy of the third party, not by this Notice. We suggest you read their privacy policies carefully every time you visit the third party links.
